

# Butterfly Decline and Conservation

*Brown Bag Speakers Forum*

*with Peter Oboyski*

**Monday April 8 • 12:30 pm**

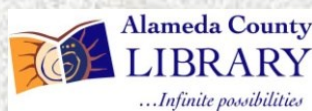

**Albany Library • 1247 Marin Avenue**

Since the extinction of the Xerces blue butterfly from San Francisco in the 1940's, conservation efforts have tried to rescue many other species from the brink. What are the causes and what can we do about it?

Peter Oboyski received his PhD in Insect Biology from UC Berkeley and is now Assistant Director and Collections Manager of the Essig Museum of Entomology at Cal.
