Cannabis and Aging: *with Dr. Laurie Vollen of Naturally Healing MD*

Dr. Laurie Vollen, founder of Naturally Healing M.D., will share her clinical experience of 18 years on the benefits of using medical cannabis to treat three common conditions of aging: Insomnia, Depression & Anxiety.

Laurie Vollen, M.D., practices exclusively cannabis medicine at her office in Albany offering guidance, treatment plans, product recommendations and dosing for a wide range of medical conditions.

All Welcome!
